SUPERVISOR BIANE ADDS SECOND SENIOR LUNCH

Per the recommendation of Supervisor Paul Biane, on September 30, 2003, the San Bernardino County Board of Supervisors voted to expand the Crestline Senior Luncheon program from once to twice each month. This Crestline Senior Luncheon program allows mountain senior residents that are at least 55 years of age to get together for lunch with their community and enjoy entertaining and educational programs.

Supervisor Biane said, "while campaigning for office I recognized the value and importance of the Senior Luncheon at the San Moritz Lodge to our senior community." Biane added, "I hoped I would be able increase the number of lunches each month, and I am very pleased we could, because they mean so much to so many."

No reservations are needed to attend the complimentary lunches that are held in the historic San Moritz Lodge on the beautiful shores of Lake Gregory in Crestline California. The Crestline Senior Luncheon program is administered and staffed by San Bernardino County Regional Parks Division. The luncheons would also not be possible without the help and dedication of dozens of seniors

who volunteer their time to the effort.

The lunches are regularly scheduled on the 2nd and 4th Thursday of the month. The next lunch will be on Thursday, October 9, 2003 followed by the second lunch of October on Thursday the 23rd. Supervisor Biane also stated, "I'm looking forward to attending the first lunch of the expanded schedule on October the 9th."
